

CS 271 –DATA STRUCTURES  
Warm Up Programming Assignment

Due Date: 09.02.2018 @ 19.00

Submit your homework using the corresponding link on [notebookl](#)

Improve *GuessNumber.cpp* program by using data structures you already know from CS 173. You are totally free to decide what part of this program / how much and how you will improve. Think creatively and try to do your best.
